REASONS FOR ALLOWANCE

(1)

The following is an examiner's statement of reasons for allowance: The closest prior art of record, JP 7-22734, discloses an apparatus comprising a roll of green sheet, a punch for forming via holes in the green sheet and a printing device to fill the via holes and print conductor pattern, wherein at the printing device, there is a suction stage for immobilization of part of the green sheet during printing. The prior art of record does not disclose or suggest an intensive machine comprising a roll of insulating sheet, an adsorbing and conveying table adsorbing and holding the sheet fed from the roll and conveying and intensive platform supporting the table so that it is reciprocally moved in the conveying direction and opposed direction and provided with a via hole forming apparatus, filling and printing apparatus and wiring pattern apparatus to which the sheet is fed while held on the table, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
